Nearly every child in the North Country has an early memory of the Arts that can be traced back to the Lake Placid Center for the Arts. Some remember performing onstage. Some remember taking a workshop. But everyone remembers how their lives were enriched by what we do. With more than 380 programs a year, the LPCA touches more than 65,000 individuals each year. The LPCA is dedicated to developing an awareness and appreciation for the arts and to making the arts an integral part of the lives of people in our region. The Joy to the Children Benefit is the major underwriter of all of the outstanding arts-in-education programs that the LPCA offers.

The Gift of the Arts...
Joy to the Children began as a small party to raise much-needed funds for children's arts programming. Started by Lisa Weibrecht & Nadine Duhaime, this now annual tradition has engaged over 10,000 children each year. Over the years, Joy to the Children has become the kick-off to the Holiday Season for Lake Placid and the surrounding communities. We can't think of a better present to give the community than year-round arts programming for our youth.

We gratefully acknowledge the generosity and goodwill of LISA and ED WEIBRECHT and the entire staff at the MIRROR LAKE INN RESORT AND SPA for donating their time and wonderful hospitality to host this event. We thank each and every individual and business that donated to the benefit to raise money for children’s programming. Purveyors for the event were: Adventure in Food Trading, Coca Cola, Craft Beer Guild, Driscoll Foods, Empire, Fredrick Wildman, High Peaks, Reinhart Foodservice, Saratoga Eagle, US Foods Albany, and Winebow. We thank them for their generosity!

We wish everyone a Happy Holiday and the best in the New Year.
